"Regular Day"

Wake up late,
The day is already gone
3 pm, don't feel like moving or not
One more time, I'll spend my life in a box
All alone, there's no way this could be worst

The phone's been ringing all day long
Pick it up, c'mon what for?
The same fucked girl from yesterday
Don't you understand?
I just don't want to see you ever again

Back in bed
Well it was trough the day: really sucked
But it's to late,
And I'm afraid that tomorrow I'll get more
Why does it have to be this way?
I just don't understand
Why is it always me the one who's left always behind?

This can't be worst
This can't be worst
