E.S.G., and my partna Big Moe
Say, we want the whole Dirty 3rd to do this with us
Baby

(*Big Moe*)

Drop your top, and roll with me
It's the Big Moe, and that E.S.G.
Boys bleeding blocks, in these H-Town streets
Man it's going down, making ghetto history

[E.S.G.]

Two triple O back in the do, bout to drop tops with the
Boy Big Moe
Screwed Up Click we super thick, been dropping hits
Since '94
Now y'all know just how it go, hit the block so sipping
On a fo'
Wreckshop dropping tops, P-A-T told you that befo'
Bought the house bought the boat, ask Reck and Noke

E.S.G. that's who I be, with diamonds on teeth I'm the
Freestyle pro
Thoed in the game platinum chain, swang and bang or
Bo'guard the lane
Piece on the neck at the Crawfish Fest, or the Bayou
Classic I'ma do my thang
Syrup in the cup man hol' up, Cadillac truck sitting on
Buck
Gotta put it up for the summer time, pull out the drop
Top if you wanna shine
Where the 6-4's at where the Regals at, where them
drop
Tops at and them Cadillacs
Don't care what you in or where you at, let the top
Back fire up a sack
If you feeling good if you looking good, if you looking
Good you feeling good
Get your blings on turn the screens on, go 'head boy

Just grip the wood
Point understood I knew I could, make the Southside
Body rock with me
Swang and bang I'm back in the game, come on y'all
drop
Tops with me

[Hook]

Drop your top, and roll with me
It's the Big Moe, and that E.S.G.
Boys bleeding blocks, on these H-Town streets
Man it's going down, making ghetto history
Chunk up the deuce, if you feeling me now
Body rocking shocking, on the damn Southside
We be coming down, blazing on the pine
Still jamming Screw, staying on the grind yeah

[Big Moe]

Southside, still holding
Baby on the Southside, we be rolling
Southside, we be rolling on those choppers
Southside, we be breaking them off proper
It's Big Moe in the do', sipping a pint you keep the
Fo'
Hit the Boulevard my trunk gon glow, that's the way the
Drank Baby roll
On the scene that is my click, give me a note I hit a
Grip
Anything for mine will some, garunteed to be some
I'ma come down banging Screw, popping trunk rolling
Through
Gotta feel a G like me, M-O-E and E.S.G.
We some thoed dudes, from the Southside
On the mic G, and we are going live

[Hook]

[Big Moe]

Stay on my grind, gotta stay on my grind
If you wanna shine, if you wanna shine
I gotta stay on the grind, I gotta stay on the grind
If you wanna shine, if you wanna shine
I gotta stay on the grind, I gotta stay on the grind
If you wanna shine, if you wanna shine
On my grind is where I be, take a tip from M-O-E
I'm a throed G, from the S.U.C.

[E.S.G.]

Come roll with us come roll with us, if it's platinum
Or gold then you know it's us
S.U.C. and the Drank Baby, if it ain't Screwed up it

Ain't slow enough
Bob your head man roll your red, get your grind on and
Forget the FED's
It's going down in H-Town, playa look around we ain't
Scared
We ball the most on the 3rd Coast, I ain't trying to
Brag ain't trying to boast
They should bump it out break down a pound, throw on
Your loc's man roll up the smoke
Put it in the air I don't care, if you rich if you on
Welfare
I'ma drop my top then bleed the block, rocks on my
Wrist man watch it glare
Watch 'em bling watch 'em gleam, Martin Luther King
I'ma hit the scene
Pinky ring got playas on my team, major ones like the
Boy Mean Green
Sipping on lean call it codein, Alpine system with the
Fo' fifteens
Boom-boom ta-da-ta-da, surround by sound it's clean-
Clean
Freestyle King big bezeltyne, Iceberg shirt with the
Matching jeans
Let the top down watch the wind blow, whoa look like
Don King
Song right here for the summer time, Southside playa
Gon shine and grind
East Coast West Coast, now y'all know it's 3rd Coast's
Time
