Roll the fuckin' tape back and let's try it again.
This time more sloppy, like childbirth.
Where's me fuckin' bass guitar?

Everybody look around hear the sound
Somethin' special's gonna come your way
We got somethin' new that is true
We got somethin' just for you today

All around the nation
Whoa
We're the new sensation
Have you heard?
Have you heard?
Have you heard?

We're K.I.D.S. Incorporated
K.I.D.S. yeah
K.I.D.S. Incorporated
K.I.D.S.
Whoa
Look's like we made it
We're K.I.D.S. Incorporated

In the city in the street there's a beat
There's a feeling that you can't deny
All the people wanna move wanna groove
There's a sign of spirit in their eyes

All around the nation
Whoa
We're the new sensation
Have you heard?
Have you heard?
Have you heard?

We're K.I.D.S. Incorporated
K.I.D.S. yeah
K.I.D.S. Incorporated
K.I.D.S.
Whoa

Look's like we made it
We're K.I.D.S. Incorporated

K.I.D.S.
K.I.D.S. Incorporated
We're gonna have fun
K.I.D.S.
K.I.D.S. Incorporated
For everyone

All around the nation
We're the new sensation
Have you heard?
Have you heard?
Have you heard?

We're K.I.D.S. Incorporated
K.I.D.S. yeah
K.I.D.S. Incorporated
K.I.D.S.
Whoa
Look's like we made it
We're K.I.D.S. Incorporated
What?
Looks like we made it
We're K.I.D.S. Incorporated

Alright, where's me smack?
