

## The Bloodhound Gang

### "Mope"

Visit "[Mope](#)" on [MotoLyrics.com](http://MotoLyrics.com)

We gonna drop this next bomb for a money makin'  
playa that ain't with us no mo.  
Yeah, Notorious B.I.G.  
Hell no, we gonna do this for a gangbangin' thug that  
never seen it comin'.  
Yeah, Tupac Shakur.  
Nah bitch, I'm talkin' bout motherfuckin' Falco and shit.  
What? Falco?

Rock me Amadeus  
Rock me Amadeus  
Rock me Amadeus  
Rock me Amadeus

Tried to O.D. on the Cold-Eeze  
"Golden Girls" got me "Sweatin' To The Oldies"  
Hanging out like Double Ds sip Long Island Iced Teas  
Wrote to Mayor McCheese "Send a Shamrock Shake  
please!"  
Three O' Clock on the dot time to cruise for Eighth  
graders  
Rather tape the Weather Channel so that I can watch it  
later  
Reruns of Rerun so "What's Happening?"  
Dee's knocked up and Rog on crack again  
Deep throat a whole Nutty Buddy  
Make whoopie to a batch of Silly Putty  
Make a Spam and Colgate sandwich and ate it  
Go through "National Geographic" and draw panties on  
the natives  
So I like to dance naked in front of my pets  
But my cat was inattentive so I sent him U.P.S.  
Playin' spin the bottle with my mom  
I watch "Cops" with no pants on

Must've blown a fuse nothing's going on  
Lamer than the Pope climb the walls like King Kong  
Buggin' out like Tori Spelling's eyes  
Deader than the parents on a "Party of Five"  
Luciano Pavoratti on a treadmill  
Not going nowhere slim chance we will

Less hip than Bo Jackson bored like wood  
Dick around like Frankie Goes To Hollywood

Relax don't do it when you wanna go to it  
Relax don't do it when you wanna cum  
Relax don't do it when you wanna go to it  
Relax don't do it when you wanna cum

Nowhere to go I can't wake up late  
Just sit around and wait for my Old Spice to activate  
Stalemate jailbait in "My So-Called Life" imprisonment  
Amazing what a good breakfast pickles make isn't it?  
I like to pretend I'm speed reading  
Never lose the sight of the thrill of sneezing  
Don't need a shower today just some Brut by Faberge  
Smell the ass of my jeans clean they'll do another day  
And I recycle I sniff my own farts  
I dial the wrong number hope a conversation starts  
I mean I might as well be listenin' to Journey  
Givin' myself a mullet hook the Flowbee to the Kirby  
Make a prank call pretendin' I'm a mime  
Get stuck in traffic just to pass the time  
Sent a letter in the mail in Braille to Johnny Quest  
Send me back my Etch-A-Sketch

Must've blown a fuse nothing's going on  
Lamer than the Pope climb the walls like King Kong  
Buggin' out like Tori Spelling's eyes  
Deader than the parents on a "Party of Five"  
Luciano Pavoratti on a treadmill  
Not going nowhere slim chance we will  
Less hip than Bo Jackson, bored like wood  
Dick around like Frankie Goes To Hollywood

Relax don't do it when you wanna go to it  
Relax don't do it when you wanna cum  
Relax don't do it when you wanna go to it  
Relax don't do it when you wanna cum

I'm mighty tighty whitey and I'm smugglin' plums  
When you wanna cum  
I'm mighty tighty whitey and I'm smugglin' plums  
When you wanna cum  
I'm mighty tighty whitey and I'm smugglin' plums  
When you wanna cum  
I'm mighty tighty whitey and I'm smugglin' plums  
When you wanna cum

Yo yo yo yo yo! What it is motherfuckers?  
Aw shit, here comes Pac-Man.  
Hey Pac-Man, what's up?

Me you bitches! I'm high on crack! Wanna freebase?  
No Pac-Man drugs are bad!  
Nope can't help you man.  
Pussies. Whoa! Holy shit!

Must've blown a fuse nothing's going on  
Lamer than the Pope climb the walls like King Kong  
Buggin' out like Tori Spelling's eyes  
Deader than the parents on a "Party of Five"  
Luciano Pavoratti on a treadmill  
Not going nowhere slim chance we will  
Less hip than Bo Jackson bored like wood  
Dick around like Frankie Goes To Hollywood

Relax don't do it when you wanna go to it  
Relax don't do it when you wanna cum  
Relax don't do it when you wanna go to it  
Relax don't do it when you wanna cum

Holy macaroni  
Holy macaroni  
Holy macaroni  
Holy macaroni
