I get bombed much like Pearl Harbor
The price is white right and I'm Bob Barker
This is your brain on drugs
This is your brain on Jackie Onassis
All you crotch goblins can kiss our asses
Yes siree Bob like corn on the cob
I'm all buttered up ready to hob nob
Daddy is a kraut you're Nazi-occupied France
I'm gonna rise to the occasion inside my pants
So yo ass yea you I want to Fraggie Rock your girlie
Coming around the party coming around like Mr. Furley
I'm Mr. Furley you're Jack Tripper
You're dumb ass Gilligan and I'm the Skipper
Tiptoe through my tulips and come and frolic
Cause my name is Betty Ford and she's an alcoholic
So here I am Rock Me Like A Hurricane
Not a Scorpion but my sting will bring your dame a lot
of pain
And Daddy's gonna tell ya I'm as cool as Jack The
Ripper
Somewhat of a cut-throat but still a big tipper
As I tickle you pink I bet my fingers start to stink
I'm what's missing from your life and you're the
missing link
It doesn't matter how you win or lose it's how you lick
it....
No rest for the wicked

Get down drink it up bring it on take it off

Flips it up in the air like my name was Bob Barker
I always kicks it cold so I gotta wear my parka
Leaving down my marker stalking like a stalker
Using the Force like my name was Luke Skywalker
Left hand's on the wheel and the right one on the bottle
One foot in the grave and the other on the throttle
I'm floating through your atmosphere like the Comet
Haley's
As freaky as a freak show call me Barnum and Bailey
So yo ho my Cheerio here I'm coming around the bend
Don't try to shake my hand I'm not your fucking friend

Bodyslam ya to the ground like I was captain Lou
Albano
Hit ya in the balls til you're singing soprano
Slide to the dance floor groove til you get sore
Listen to the tiger's roar I'll pump you like a seesaw
I'm a tattooed demon do you catch my meaning
Think that you're dreaming but soon you'll be
screaming
I got more senseless violence than a thriller in Manila
Like my hero Gacy I'm a stone cold killer
Got my moves from Thriller I'm Fish you're Barney
Miller
I'm spreading out the carnage like I'm Mechagodzilla
Like Jimmy Pop says he's as cool as Jack The Ripper
So take off your panties and kick off your slippers
Do as i say and I will be a big tipper
More smooth moves than my man Jack Tripper

Get down drink it up bring it on take it off
