My last girlfriend didn't like me thought she might be
Most likely a dyke she just didn't excite me
Lefty? Yeah but that was alright
She was hotter than the sun but she just wasn't that
bright
My mistake she was more flaky than a leper colony
I think a wooden clothespin would have been much
better company
Ass like a donkey acting funky gave her "L" now she's a
flunky
So my love for her died quicker than a batch of Sea
Monkeys
Early bird gets the worm spread your legs or spread
the word
So what if I'm not the smartest peanut in the turd
I'm white which goes with everything but I can come in
any color
And I'm looking for the kind of girl that reminds me of
my mother
But it's hard to find a girl with a viper tattooed on her
tushy
And how many girls do you know that can play the
harmonica with their pussies?
Like em' easy and hot and sweet like a Rice Krispie
Treat gee
You know what I really want in a girl? Me

I need to find a new vagina
Any kind of new vagina
It's hard to rhyme a word like vagina
Calvin Klein? Kind of North Carolina

Women are like dog doo hear me through don't
interrupt
It's just the older that they are the easier they get to
pick-up
I'd fill the generation gap clean the cobwebs from her
rafters
Old hens would rather put out than be put out to the
pasture
No age just ain't a gauge I like my girls like my cheese

Preferably for me fat-free American singles only
I want my next chick anorexic the winner is the thinner
Won't have to take her skinny ass out to a fancy dinner
Like Sizzler she got a beef we'll chew the fat
If I forget to put the seat up I can put up with her crap
Let her lash out and crack the whip but not in bed I
don't play rough
No I can't be tied down with a girl that wants me tied up
Just independent like NOFX smart like Janeane Garafolo
She'd use big words to make fun of me so that I would
never know
Bestow upon me all her wisdom of the Dewey Decimal
System gee
You know what I really want in a girl? Me

I need to find a new vagina
Any kind of new vagina
It's hard to rhyme a word like vagina
Kevin Klein? Kind of South Carolina

Vagina vagina vagina vagina
Vagina vagina vagina vagina
