Hit niggaz off like Pepper Johnson  
Oh, uh-oh, you ready L?Aight, let's go  
Uhh, uhh, uhh..

Ladies shout my name cause I'm sweet like sugar  
water  
Some call me daddy cause I treat 'em like my daughter  
They'll rush out my name and refer to me as Posi'  
When I make love I come with like a kamikaze  
I don't return 'til the mission is completed  
And that's a treat when you're properly treated  
Now don't - say I'm conceited, say I'm convinced  
My momma called me nasty and I was ever since  
At school they voted me the one most likely who would  
But never realized that I'd be so damn good  
Swift and interchangeable, yet remaindable  
Rhymes intoxicate ya when it spins on the turntable  
And get you high, higher than a skyscraper  
When I gets rough, it's rougher than sandpaper  
The brother's still frontin, still front to flex  
Wouldn't squeeze the trigger, on a bottle, of Windex  
Uhh, and ya don't stop  
Uhh, a yea yea you don't stop  
Uhh, nah nah you don't stop  
Uhh, yea yea you don't stop
