Join hands to summon
Up the dead
Hear them singing
In side your head

On my gypsy,
Can you tell
If sweet Satan
Will rise from hell?

Crystall ball,
Hypnotise
Look in side
Thouse demon eyes

Paint the circle
Around the pentagram
Cut the throat
Of the crying ram

Seance!

Join hands to summon
Up the dead
Hear them singing
In side your head

On my gypsy,
Can you tell
If sweet Satan
Will rise from hell?

Paint the circle
Around the pentagram
Cut the throat
Of the crying ram!
