Uh uh

Can you dance like you fuck
Can you fuck like you dance
Can you dance like you fuck

Listen baby

[Verse 1]

Girl

The way you dancin I can't get enough
You move ur body like ur making love
And I can't wait to get you home with me
Tonightttt

And girl

I love it wen u take it to the floor
Up and down like your riding a pole
I had to take this time to let you know
U need to stop
I love it wen u pop it

[Chorus]

Can you dance like you fuck
Can you fuck just like you dance
Cos the way you shake that thing makes me want
what's in your pants

[Verse 2]

Shorty

If you want to I can take it there
Damn u must be from the ATL (shawtyy)
The way you shake got me under ur spell (oh yeah)
And you know
I'm a baller baby yes indeed
And I represent the 863[?]
Tonight your looking right your bodys out of sight
And I just want to know

[Chorus]

Can you dance like you fuck
Can you fuck just like you dance

Cos the way you shake that thing makes me want
what's in your pants

[Girl rapping]

Ge-get ge-get ge-get low
Drop drop drop it like a 6 4
Pop pop pop it like a pistol
All my ladies dat like to get dough
It's dat drama queen and earl b
863 I know u feel me
Siee me in da club rollin on E
Sippin on hen and dancin freaky
Tossin dat 'p' all in ur face
But u gotta break bread if u wana taste
Go way way down deep below da waist
Get it wet make me feel like imon da?lake? (yeh)
This music bumpinn
We got it jumpin
So close we touchin
Dancing like we fuckin

[Chorus]

Can you dance like you fuck
Can you fuck just like you dance
Cos the way you shake that thing makes me want
what's in your pants

Can you drop it all da way down
Then grind it up real slow
Can you drop it all da way down
Then grind it up real slow

I'm from the 863
