but I'm the same dude who eat banana's with his corn flakes

and when I flake it out you know what I be about

I'm a G rap repper when I ring-a ring 'em out

I got the tool to your mouth what you be about

I ain't tryin'a be hard but that's what I be about

I gotta get my money so y'all can't see my rocks

when I'm movin' my legs they like "d\*\*n what he about?"

money, cash, hoes, and doors, and clothes

big body's sittin' on 24's

money on my mind you know

slow it down youngin', I got riches to get

I'm sir mix a lot when I'm mixin' these hits
