If you need a little lovin'
call on me, o yeah
If you want some kissin'
call me baby, all you gotta do
O I'll be right here at home
All you gotta do is pick up your telephone
and dial now

634-5789 That's my number
634-5789

And if you need a little huggin'
call on me, lord have mercy
And if you want some kissing
call on me baby, all you gotta do now
No more lonely nights, will you be alone
All you gotta do is pick up your telephone
and dial, babe

634-5789 That's my number
634-5789

O I'll be right there
Just as soon as I can
And if I'd be a little late now
I hope that you'll understand
O yeah

(guitar solo)

634-5789
634-5789
634-5789 O yeah
634-5789

And if you need a little lovin'
you can count on me, o yeah
And if you want some of that kissin'
call on me, you better believe you can
No more lonely nights, will you be alone
All you gotta do is call me on the telephone

and dial

634-5789 That's my number baby

634-5789

634-5789 That's our number

634-5789 That's our number

634-5789 That's our number baby

If you need to make change, call Ed's love exchange
