{ backups up octave }  
I went balling the other night  
I started drinking and got real tight  
I blew each and all my friends  
I felt so good I had to blow again

I said hey bartender  
Hey man looka here  
A draw one, draw two, draw three four glasses of beer

Well I saw a chick sitting on the end  
I said baby can't we be friends  
You're looking sweet as you can be  
Well come on down and drink with me

I said hey bartender  
Hey man looks here  
A draw one, draw two, draw three four glasses of beer  
Elwood!

{ solos over verse and chorus }  
{ harmonica solo }

{ guitar solo }

{ groove }  
Well we were having so much fun  
I didn't know it was half past one  
I turned around to have one more  
I looked at the clock and it was half past four

Hey bartender  
Hey man looka here  
A draw one, draw two, draw three four glasses of beer

Well jukebox girlie is everything  
All the cats are dancing  
I heard somebody called and said  
Last round for alcohol

I said hey bartender

Hey bartender  
Hey bartender  
Hey bartender  
Draw one, two, three four glasses of beer

{ END }
