[Chorus]

I been having fantasies of me and you  
Thinking how it could be just me and you  
Girl I'll be your other man  
Your freaky deaky kinky lover man  
Mr. Kiss- it -where- you -love- it man

(Trick Daddy):

(Girl I'm having) fantasies of me and you  
(And I'm thinking) how could it be just me and you  
(Girl I'll be your other man)  
(Your freaky deaky kinky lover man)  
(Mr. Lick- me- where- I love- it man)

Can't you see what I'm talking about  
I wanna be the one to knock it out  
Show you all the things that you need  
There's no need for you to beg me please  
I want you to understand  
All I wanna be is your other man  
Me for you, you for me  
Make this thing a reality

[Trick Daddy]

Mean daddies play me I can't wait to break  
Call your crib find the phone maybe your mom awake  
No sense in worrying about my wife she's great  
And I know that my conscience right she be okay  
Make up a lie cause he ain't seeing you tonight  
Hell yeah baby just me and you tonight  
Just bring some clothes and the robe that you be  
having on  
Behind closed doors who knows what be going on  
Holding each other we be sucking on  
Hell yeah deep in them gut says you grunt and moan  
It ain't enough to chain me we fuck alone  
These pussy juices been got my mind going the long  
Go ahead man forgive me for I have sinned  
69in wit my baby momma's closest friend  
And she gotta man  
But hell I understand (I know)

[Chorus] - 2X

[Trick Daddy]

I'll be your other man  
Undercover first cousin even your brother's friend  
No matter little momma girl I understand  
I know you live wit your man, chill with your man  
So we fuck only when we can  
Juices all in the bar, fucking all in the car  
Sleep around peep around only after dark  
Yeah I know it's hard (but God gon' make it right for us)  
Even if it means it will be (it'll be a special day for us)  
Pray for us and let me ease your mind  
Treat you right eat you from behind every time if you  
don't mind  
I'll be your other man  
Yeah I'll be your other man

[Chorus]

(Trick Daddy):

(Girl I'm having) fantasies of me and you  
(And I'm thinking) how could it be just me and you  
(Girl I'll be your other man)  
(Your freaky deaky kinky lover man)  
(Mr. Lick- me- where- I - love- it man)

Feel me like I'm feeling you  
Open your eyes and see what I'm going through  
I don't care if it's wrong or right  
But I gotta taste that pussy tonight  
Kiss you here kiss you there  
Right between your toes girl I don't care  
My mission is to please you  
And make you see that all I wanna be  
(Is your other man)
