The best things in life are free
But you can give it to the birds and bees
I need money (That's what I want)
That's what I want
That's what I want
(That's what I want)

Your lovin' gives me a special thrill
Won't buy me no cupid bill
I want money (That's what I want)
That's what I want
That's what I want
(That's what I want)

Money don't buy everything its true
What it don't buy I can't use
Just give me that money (That's what I want)
That's what I want
That's what I want
(That's what I want)
Give me some money
What I want right now
(That's what I want)
Just give me money
(That's what I want)
That's what I want right now
(That's what I want)
That's what I want
(That's what I want)
Give me the money
(That's what I want)
I want that real money
(That's what I want)
That's what I want
