"Stand By Your Man"

Sometimes it's hard to be a woman
Giving all your love to just one man
you have good times you have bad times
doing things that you don't understand
But if you love him you forgive him
You know, it's hard to understand
But if you love him
Oh be proud of him
'Cause after all he's just a man

Stand by your man
Give him two arms to cling to
And something warm to come to
when nights are cold and lonely
Stand by your man
And tell the world you love him
Keep givin' all the love you can
Baby, stand by your man
