There's a chill in the air
You hear a creak on the stairs
You've got a knock on your door
Is there anybody out?

[Bridge]

They're out to get you
To capture you
And make you
Spellbound
Howling and frowning
You're shivering, quivering
Spellbound

[Chorus]

You can not run,
And you can not hide
Yeah you gotta face it baby
Things go bump in the night
Where ever you run,
And where ever you hide
Yeah you gotta face it baby
Things go bump, bump, bump in the night

Tell me who's spooking who
It's very Scooby Doo
You hear a shriek in the house
You know its freaking me out

[Bridge]

They're out to get you
To capture you
And make you
Spellbound
Howling and frowning
You're shivering, quivering
Spellbound

[Chorus]

You can not run,
And you can not hide
Yeah you gotta face it baby

Things go bump in the night
Where ever you run,
And where ever you hide
Yeah you gotta face it baby
Things go bump, bump, bump in the night

You can not run,
And you can not hide
Yeah you gotta face it baby
Things go bump, bump, bump in the night

You know where ever you run,
And where ever you hide
Yeah you gotta face it baby
Things go bump, bump, bump in the night.
