I went to this dance  
With al my crazy friends  
We were getting quite wasted  
And I felt like a fool.  
But then I saw you.

You said my name is Emma  
And I knew I could thrust you  
You took my hand  
I've tried to hold back my tears  
Because I didn't believe this was real

Emma in my life  
Emma all the time  
You know I'm crazy about you  
That's why i want you

We went outside  
And I thought you must be mine  
Heaven gives us a sign  
Snowflakes passing by  
And all I could do is smile

It's time to go  
Damm girl I love you so  
This was the night of my live  
You had this twinkle in your eyes  
Saying this isn't the end of time  
Emma in my life  
Emma all the time  
You know I'm crazy about you  
That's why i want you
