This is a very important announcement
Lucy is being photographed by John on the bathroom
floor
John is taking pictures of Lucy
The wall is dripping from the sink

And John struck Lucy
John, the boss, the lover, the giant and a lot of thing
He hit her with a stick
(Price check on four)
Then John struck Lucy
(Yeah, number four)
Then John struck Lucy, go away

Then John struck Lucy
(Remember the hidden cost)
Then John struck Lucy
(Remember the hidden cost)
