The secretary says to boss, "Hello today"
Well, she's impartial to the news and she's just that way
You look like a picture from a magazine
And you look like a picture from a magazine

Now she's driving in my head, head, head
Now she's driving in my head, head, head

The secretary says to me at lunch today
"Well at 12:15, we'll leave and we'll drive away"
And you look like a picture from a magazine
And you look like a picture from a magazine

Now she's driving in my head, head, head
Now she's driving in my head, head, head

Now she drives
(Now she's driving in my head)
Now she drives
(Head)
Now she drives
(Head)
Now she drives

Now she drives
(Now she's driving in my head)
Now she drives
(Head)
Now she drives
(Head)
Now she drives

Now she's driving in my head
Now she's driving in my head
Now she's driving in my head
Now she's driving in my

Now she's driving in my head
Now she's driving in my head
Now she's driving in my head
Now she's driving in my

Now she drives
(Now she's driving in my head)
Now she drives
(Head)
Now she drives
(Head)
Now she drives

Now she drives
(Now she's driving in my head)
Now she drives
Now she drives
Now she drives
