I remember the time of my life
in a surface like i saw the dream in the sky
now you know all the things we can hide
i can tell you bout all my dreams live from the sky
(once again drop the base)

i remember the time of my life
in a surface like i saw the dream in the sky
now you know all the things we can hide
i can tell you bout all my dreams live from the sky

in a surface like i saw the dream in the sky
now you know all the things we can hide
I can tell you bout all my dreams live from the sky

(drop the base !)

(once again)now you know all the things we can hide
