[RZA]

Wigs splat, get jacked, Zig-Zag  
Bob Dig' back, migs act fool  
Wiz jack jewel, kids act cool, in school  
When they hit up walkman they catch the jewel  
9th Prince, projects surrounded by a picket fence  
Yo it must be the work of the wicked gent  
Should we yack 'em? Should we attack 'em?  
Should we gunsmack 'em or carjack 'em?  
Slap 'em, computer hack 'em  
Bypasses the school, I failed 5 classes  
Had my eyes on the fat thighs and fat asses  
Big tits, I used to rock the Gucci knits  
And thick Polo sweaters with the horse on the stitch  
Now I rock the W-U W-E-A-R, boy be a star  
No matter who you are, A-B Allah, B-C Allah  
I was born in the wilderness with the urge of fullfillin'  
this  
Rotten hip-hop that you crabs forgot  
Wu what? Wu tucks, Wu cuts, Wu new chucks  
You could suck dew nuts

[Chorus: RZA (both)]

Some of y'all niggaz hold mic like bitches  
Some of y'all bitches hold mics like niggaz  
Hard for seeds to figure which is which is  
Now you wonder why your seed switches  
Burn the Bridges!  
(See some of y'all niggaz hold mic like bitches  
Some of y'all bitches hold mics like niggaz)  
Hard for seeds to figure which is which is  
Make you wonder why your seed switches  
Burn the Bridges!

[9th Prince]

Aiyo I spit lead, the aim strike for ya head  
9th Prince, sometimes I'm braindead  
Six foot four, kick down ya front door  
Breakin' all laws, verbal prostitute  
Ya life is my whore, me and The RZA is like Twin  
Towers

Smack you with the culture power, sweet and sour  
Rain acid showers, so grab ya umbrella  
Poetry spoken accapella, the bad fellas  
You can't feel us or smell us, or even rebel against us  
So run for ya life par, fuck bein' a superstar  
Give life like Allah U Akbar  
Stay in ya lane with ya Go Kart, we too smart  
Hollow point darts that'll stop ya heart  
Beware of the dark, we teeth like tiger sharks  
Or Noah's Ark, head shock reveals the worst part

[Chorus]
