You better treat my baby good if you know what's good
for you
You better never make her cry
Go on, make one mistake and I'll step in and take away
the ache in her heart
So play it smart

You better treat my baby good if you know what's good
for you
Don't ever let me see her blue
Go ahead and put her down once too often around a
friend in town and you'll see
She's back with me

Who am I kiddin'?

She's better off without me now and I know that's good
for you
But, all the same, keep this in mind
Just make sure ev'ry day that you treat her the way
she'd like to say that you
should
Treat my baby good

Just make sure ev'ry day that you treat her the way
she'd like to say that you
should
Treat my baby good

Just make sure ev'ry day
FADE
that you treat her the way she'd like to say that you
should
Treat my baby good
