I see you from my window  
In the shadows of the night  
You're standing on Love Street  
On the beat, of better things

Yeah!

I'll see you standin' there  
You don't care, anymore  
And love in your life  
Stabbin' knife in my heart

(REPEAT CHORUS)

Yeah!

(REPEAT CHORUS)

I'll see you standin' there  
You don't care anymore  
And love in your life  
Stabbin' knife in my heart

(REPEAT CHORUS TWICE)

She might Fadeaway (8 TIMES)
