You should see the shape i'm in

Well, I think about the times
You held me up
And kept me on my feet
I haven't really sunk this low
And I don't give a damn about me
And it's hard to love a losin' man
Much harder than you think
You'll have to tear yourself away
Before you both start to stink.

Chorus:

I'm In Trouble Again
I'm In Trouble Again (ahhh!)
'Cause ever since you left me Baby
You should see the shape i'm in

WHOA
WHOA
WHOA
WHOA

Well, many is the time I lye awake
Shiverin' in the Cold Black Night
Never is the time I tell myself
Hey it's gonna be alright
And I wish I could've took to holdin' you
The way a man should
'Cause ever since you left me Babe
Well, I aint been very good

Chorus:

I'm In Trouble Again
I'm In Trouble Again (ahhh!)
'Cause ever since you left me Baby
You should see the shape i'm in
