Well, they write about love
In lots of books
They say sometimes
It just takes one look

Say About Love
That's what there sayin'

So now don't be a fool
'Cause it has to last
Sometimes love
It can fade so fast

Say About Love
That's what they're Sayin'
That's what they Say, About Love
Yeah, that's what they Say
They Say About Love

Oooh!
Yeah, say!
Oooh!
Ahh!!

(GUITAR SOLO)

Well, they Say that Love
Is all around
The Only trouble is
Trying to track it down

Say About Love
That's what they're Sayin'

Love is the answer
The Power Supreme

Some Say Love
Is just a freaky scene

Say About Love, that's what they're Sayin'

That's what they Say, About Love
That's what they Say, About Love
Yeah, That's what they Say, About Love
Ooh, that's what they Say, Say About Love
Say About Love
Say About Love
Say About Love
Ooh!

(GUITAR SOLO TO END)
