I'm trying to keep myself sober
But when your dying it ain't easy
I'm trying to create a conteintious smile

I'm trying to tell everybody
That I'm okay
Even though I'm not

I'm trying to tell everybody
That I'm okay
Even though I'm not

Can't you see I'm faking it all
Can't you see the pain that I'm in
Once again

Can't you see I'm faking it all
Can't you see the pain that I'm in
I'm in hell

Always trying to create a conteintious smile
Leave everything aside
Oh Can't you see that it isn't right
To live such a life

Always trying to create a conteintious smile
Oh Can't you see that it isn't right
To live such a life

Sick and tired of you always telling me what to do
I know it's only a benefit for you

Sick and tired of you always telling me what to do
I know it's only a benefit for you

Can't you see I'm faking it all
Can't you see the pain that I'm in

Can't you see I'm faking it all
Can't you see the pain that I'm in
I'm in hell
