Uh

Aj

I run to you
with open arms
Your embrace
keep me safe
from the world
outside our doors

People tell me to leave you
but they don't know
what we have
is something special

You're my
guardian angel
You keep me safe from the world
Outside our doors

Uh uh

Cause you're my, Guardian angel
you keep me safe from the world outside
our door

lets run away to a better world
we're you can be safe
We're you don't have to sacrifice
your own life for mine

We're you don't have to sacrifice your own life for mine
My guardian Angel
