"In Front Of Me"

Visit "[In Front Of Me](#)" on MotoLyrics.com

And I see your eyes
Hidden in the dark night
And I see your face
Your standing in front of me

And I see your eyes
Hidden in the dark night
And I see your face
Your standing in front of me

You're scaring
You're scaring me
You're scaring
You're scaring me
Oh please leave me
Why won't you leave me alone

Please leave me
Please leave me alone again

And I see your eyes
Hidden in the dark night
And I see your face
Your standing in front of me

And I see your face

And I see your eyes
Hidden in the dark night
And I see your face
Your standing in front of me

And I see your face
