You lied to my face
You told me ev'ry thing was fine
That you were mine, again

Running away from the pain
The pain that you caused me
From the hate you made me feel

But still I love you my whole life through
Still there is a place in my heart

Where am I going
Where is the light to guide me through the night
Where am I going
I need your hand to help me through again

Where am I going
Where is the light to guide me through the night
Where am I going
I need your hand to help me through again

In my heart
In my heart
In my heart.....

In my heart
In my heart
In my heart.....

Oh

Where am I going
Where is the light to guide me through the night
Where am I going
I need your hand to help me through again

Where am I going

Where am I going
I need your hand to help me through
