Up all night building forts for fighting fitful thoughts for us.

She sits in the kitchen Twitch-twitch.

Twitching in the kitchen Twitch-twitch.

O shake, shaky-Karen Shaky-Karen.

Ping-pong Ollie,

Ping-pong Ollie,

All night long and off the walls, he's

Ping-pong Ollie.

Ping-pong Ollie

Turning circles up, down, the halls.

"Take, take me out."

Closing doors,

Listening to

Closed doors talk.

"Isn't it all

Kissing and

Kissing or

Pressing or

Not at all?"

"Take me, take me to."

Speaking or

Asking for

Not having to

speak at all.

"I'm left " I say.

Something half

Unsaid for

Pretending to.

"Knock, knock."

"Who's there?"

"Adjust."

"Adjust who?"

"Adjusta yaw amadjuhnation!"

"Take me, take me out."

Settle on Silent.

Asking for

Not having to

Speak at all.

Kissing and

Kissing or

Pressing or

Not at all.

"Take me, take me to"

Up she sits all night building twitching for fighting fitful  
twitching thoughts twitching for us.

Twitching in the kitchen Twitch-twitch

O shake shaky-Karen Shaky-Karen.

Days begin with setting suns

"Take me, take me, take me to "

Days end with rising suns

"Take me, take me, take me to "
