"Holiday"

We made a paradise of silvery lies

'twas heresy what we believed

"But, I would again, baby."

One

Warmly lay

on one

warmly lain in the sun

side by side

silently sleeping

I rested my lips upon your ear

and whispered

"Dear,

I've never

been

so happy."

Down below,

I know

the snow

has blown over our footsteps

but, hurry home

"hurry home and kizza me,

kizza me one more time, baby."

"Oh, baby."

One

warmly lay

on one

warmly lain in the sun

side

by side

silently sleeping

I rested my lips

upon your ear

and

whispered

"Dear,

I have never been so happy."
