**Hook

Somebody told ya that I was a bad boy
Somebody told ya I'd make ya cry
But if somebody told ya that I didn't love you
Then somebody told ya (The biggest lie)
(I can't find the way)
No noNo no
(I can't find the way)
No noNo no
(I can't find the way)
No noNo no
(I can't find the way)
No noNo no
(The way...)

**Verse

Tell me what to do to do to prove that I could be
Just the opposite of what you claim to see
I'm a casualty before you took the shot
(I can be what you wanna be what you wanna...)
Said your not alone, alone in what you've come to feel
Baby all your friends they claim to know the deal
Tell me how they know if we never even met!
(I can be, what you wanna be what you wanna...)

I regret the way that ya feeling, that's why I wrote this

You say that time has passed now I hope I aint take too

(I can't find the way)
Ya. girl I see that now I need that
Lookin for ya heart babygirl where the beat at?
