To old to bother to young to care standing all alone lost
in my mind somewhere so many unknown questions
i've got to take another step on this sole adventure why
is it i can't see what i need to be i wish i had some
ideas about my detiny I don't know what it is i'm looking
for i can't find it anywhere i never felt like this before i
got no ideas what is i try to find i've got a strange
feeling i'm lost in my own mind why is it i can't see what
i need to be i wish i had some ideas about my detiny To
old to bother to young to care
