I dont know what all the people say
or what they think is love
but i kow what it means to me
i fall in love so easily
and its hard to let your guard down
something you never you want to do
i give you my love and you turn it away
i guess id be screwed
im a hopeless romantic
your just hopeless
beer and wine does me fine
but it doesnt always do
when i get back up and dust off
i always come back to you
im kinda lazy
and i kinda stink
but ill clean myself up for you
im a hopeless romantic
your just hopeless
