Passed some time on the stoop on the block were we
used to sit
I thought about it all too much I thought so hard i
couldn't see
Pete rode by on his Hutch Passed some time on the
stoop on the
block were we used to sit i looked down and tied my
shoes
I thought about it all too much i looked up and then i
knew
I guess these things were meant to be and there's no
use fighting
what's in me Night on earth Passed some time walking
around
looking for something to be when i stopped to look
around
all the music was different to me All these places we
used
to go when i loved you i didn't see I'll miss you but now
i'll know better next time because i found me
