I wanna make you know
I can do everything
But I don't ever show you
How I really am
I wish I could say
I have no regrets
I wanted too much from you

I don't wanna be this way
I kick myself I wish I could say
I have no regrets today

But I'm so nervous that I lose my cool
Everytime I pick up the phone
And try to call you
Standing out in the freezing cold
Until I'm numb wondering why
I'm always acting so dumb

I don't wanna be this way
I kick myself I wish I could say
That I have no regrets today

Things just happened
To turn out this way
I can't say that I have
No regrets today
