i'm beatin' down doors stumbling down the street
dialing the telephone. Up all night up all morning right
here is my home. But i know i don't even have to try i'm
a single sucessful guy lonely with my friends lonely
with my favorite girl lonely when i'm all alone if you're
gonna talk i gotta listen because right here is my home
it's easy i don't have to try i'm a single sucessful guy.
My ears are ringin loud but i can't hear a sound. I'm
carrying all i own and my heart is heavy in my chest.
Right here is my home its easy i don't have to try i'm a
single sucessful guy
