the sounds of the city
somehow they comfort me
on lonely mornings like this

is someone out there like me
walking their own lonely street
walking their own lonely street

the sounds of the city
somehow they comfort me
on lonely mornings like this

this emptiness inside
loneliness i fear
in this pain i'm not alone
in this city that is my home [x3]
Woah Ohhh Ohhh Ohhh Woahh

one lonely heart
reaching out to you
want's strength to see us through

and yell together
this one goes out to you!!!

we are not alone
in this city that is our home [x5]
