The one minute I saw you
I remember your red shoes
I keep this little memory of you
I see you in my mind
When I need to

Thank you for your red shoes

Some say the world isn't fair
At least for one moment I didn't care
It's all in how I see it and what I choose
Nothing seems black
When I see your red shoes

Thank you for your red shoes

That minute I saw you
I remember you and your red shoes
Now I have this memory of you
I see it in my mind
When I need too

Thank you for your red shoes
