I have to write this song
To correct all that is wrong
I have to let you hear
That I am still here
I have to tell you
What I was too young to
Since you left this world
Every day feels cold

What can I do
I think of you
It makes me sad
I love you Dad

I loved what you did
When I was just a kid
You were the perfect Dad
You always made me glad
But now you are gone
I need to be strong
I need to succeed for you
And my Mum too
I love you both
But I can tell her
You got cancer
You can never know

What can I do
I think of you
It makes me sad
I love you Dad

If I had no fear
I would die
You would appear
And I wouldn't lie
I miss being your son
Going to London
Visiting the shops
Having good fun

What can I do
I think of you
It makes me sad
I love you Dad

What can I do
I think of you
It makes me sad
I love you Dad

(Thank you)
