"You Drift Away"

Visit "[You Drift Away](#)" on MotoLyrics.com

swam against your waves

the glinting glass

cut against me

darkly flowing past

like frightened

shadows

swallowed by an

empty starless blue

as the spreading ocean

swelled and grew

from here

to you

you drift away

you drift away

drawn in by the

undertow you went

and another

comfortless night spent

waiting

but weightless

you drift away

you drift away
