### "Into Your Eyes"

I felt so complete, so alive, always at ease  
You by my side, never to leave  
I always knew you'd be taken from me

Days go by and I'm left with the sadness  
Time chasing time leads to my madness  
Another place, a different window  
A new path for me to go through

Why did you leave me this way?  
When all I ever wanted was just one more day

In Your Eyes I see the hidden treasure  
In Your Eyes I see my life

Take me on your final journey  
Take me back into your arms

Why did you leave me this way?  
When all I ever wanted was just one more day

In Your Eyes I see the hidden treasure  
In Your Eyes I see my life  
Far beyond the light I feel your inner torment  
Far beyond the night I hear your cries

Can you hear me when I call you?  
Are you afraid of what surrounds you?  
From beyond the dark I'll find you  
No matter what hell I go through

In Your Eyes I see the hidden treasure  
In Your Eyes I see my life  
Far beyond the light I feel your inner torment  
Far beyond the night I hear your cries

Take me on your final journey  
Take me back into your arms  
In Your Eyes I see the glory  
In Your Eyes I see my life
