Serge down mighty storms
Destroy the ones before!
Spend eternity in torment
Begin your descent

Fire breathed the life from the enemy
Sisters in arms rise the new army
Cleanse mother earth
Of patriarch devastation
Rise mountains a new reformation

Time waits for none
You cannot run
Gathering night rages on
Sensing dark waves
Riding the days
Sea of flames ablaze
War devout souls
Written in scrolls
Regaining control
Mixing with mud
Venomous blood;
Unleash The Flood!

Your God was a toy
Destroy all relics
From their ashes rise the phoenix
Heaven was here and will be again
Immortal one
We now reign

Time waits for none
You cannot run
Gathering night rages on
Sensing dark waves
Riding the days
Sea of flames ablaze
War devout souls
Written in scrolls
Regaining control
Mixing with mud

Venomous blood;
Unleash The Flood!

Disgraced the gift
Life was so pure
The greed and the plague
Left only one cure

Time waits for none
You cannot run
Gathering night rages on
Sensing dark waves
Riding the days
Sea of flames ablaze
War devout souls
Written in scrolls
Regaining control
Mixing with mud
Venomous blood;
Unleash The Flood!
