"I Die"

As time goes by
The days are passed
I wonder why
Life goes so fast
I cant forget
I know we try
I have to live
Before I died
I die
I die

[INSTRUMENTAL]

We have good times
I wont forget
The petty crimes
I'll always regret
I have to go
To say goodbye
I leave you now
Before I die
I die
I die

[INSTRUMENTAL]

So fuck you all
I hate this place
You are so small
A fucking disgrace
I know its sad
I know we leave
But it aint bad
Unless we don't breath
We live again
Until the end
I'll find out why
Before I die
I die
I die

[INSTRUMENTAL]

end
