Visit "[XXI \(Extra Extra Large\)](#)" on MotoLyrics.com

When you're small and skinny  
Choosing clothes is not a problem  
When you're big and fat  
Its impossible to find some

I try to fit in to small and medium  
But they're skin tight  
Go up to large- it isn't as bad  
I tell myself it's just my height

But i really know i'm so fat

I'm extra extra large  
In big- sized clothes  
I can't remember  
The last time i saw my toes  
Standing up is becoming hard  
Maybe i'm just tired  
Yeah right, lets face it  
I'm a tub of lard

I probably won't find love  
With some anorexic tart  
But when can i  
Open up my heart?

There's too much fat in the way  
Can't you tell?  
This takes some time  
To grow and swell
