I hear the phone it rings so violently
Can't leave my room, can't breathe since she left me
I will admit i hate those things i said
Girls always cry, guys will never admit they did

Hold on, hold on, hold on

Don't tell me it's over,
I'm not used to this temptation
And when you came running back,
There is no use for explanation
I think these things are too hopeful, even with my
expert knowledge
Most girls most do mean trouble, because they are
rarely honest

What's with the jokes, all the routines they play
Screw with my head, never cave til they get their way
Guys like to run, chicks like to yell you see
Guys hate to fight, girls think its therapy

Hold on, hold on, hold on

Don't tell me it's over,
I'm not used to this temptation
And when you came running back,
There is no use for explanation
I think these things are too hopeful, even with my
expert knowledge
Most girls most do mean trouble, because they are
rarely honest

Hold on, hold on, hold on

Don't tell me it's over,
I'm not used to this temptation
And when you came running back,
There is no use for explanation
I think these things are too hopeful, even with my
expert knowledge
Most girls most do mean trouble, because they are

rarely honest

Don't tell me it's over,
I'm not used to this temptation
And when you came running back,
There is no use for explanation
I think these things are too hopeful, even with my
expert knowledge
Most girls most do mean trouble, because they are
rarely honest
Don't tell me it's over, I'm not used to temptation

heres the other bonus track

Bonus Track 6 or "grandpa is an asshole" (on ce
w/green label)

Unos, dos, tres, quatro...

When you fucked grandpa did he tell you that he loved
you?
Did he hold you til the sun did rise,
And did he look into your eyes and ask you to fellate
him?
And stick a finger or two in his ass?

He seems like a total asshole
Grandpa is a total fucking asshole
Who would ever want a dirty, greasy finger in his ass?
He rubs his dick in broken glass

When you fucked grandpa did he kiss you soft and
tender?
Did he tie your hands behind your head, and was it on
your mother's bed?
And this is fucking stupid man i can't believe you'd
have sex with your own
Grandfather.

I mean you guys are related
What's he gonna do take out his false teeth and just
leave them on the side of
your bed?
Man, you like to fuck you in the butt and have everyone
come in and watch and
masturbated and cum all over the place
This is stupid
I hate you all
I'm not even gonna have sex with my mom tonight man
this is stupid
I hate you
