Josie

Yeah my girlfriend  
takes me home when I'm too drunk to drive  
And she doesn't get all jealous  
when I hang out with the guys  
She laughs at my dumb jokes when no one does  
She brings me Mexican food from Sombrero just  
because  
yeah just because

And my girlfriend  
Likes UL and DHC  
And she's so smart and independent  
I don't think she needs me  
quite half as much as I know I need her  
I wonder why there's not another  
guy that she'd prefer

And when I feel like giving up  
like my world is falling down  
I show up at three a.m.  
She's still up watching vacation  
and I see her pretty face  
It takes me away to a better place and  
I know that everything  
know that everything  
know that everything  
everything's gonna be fine  
I know that everything  
know that everything  
know that everything  
everything's gonna be fine

And my girlfriend  
takes collect calls from the road  
and it doesn't seem to matter  
that I'm letting in the cold  
She laughs at my dumb jokes when no one does  
She brings me Mexican food from Sombrero just  
because

And when I feel like giving up  
like my world is falling down  
I show up at three a.m.  
She's still up watching vacation  
and I see her pretty face  
It takes me away to a better place and

I know that everything  
know that everything  
know that everything  
everything's gonna be fine(8x
