in the car, i just cant wait
to pick you up on our very first date
is it cool if i hold your hand?
is it wrong if i think its lame to dance?
do you like,my stupid hair?
would you guess that i didnt know what to wear?
im just scared of what you think
you make me nervous so i really cant eat

(chorus)

lets go....dont wait....this nights almost over
honest....lets make....this night last forever
forever and ever.....lets make this last forever
forever and ever....lets make this last forever

(verse2)

when you smile,i melt inside
i'm not worthy for a minute of your time
i really wish it was only me and you
i'm jealous of everbody in the room
please dont look at me with those eyes
please dont hint that your capable of lies
i dread a thought of our very first kiss
a target that im probably gonna miss

(chorus)

lets go....dont wait....this nights almost over
honest....lets make....this night last forever
forever and ever.....lets make this last forever
forever and ever....lets make this last forever

(chorus)

lets go....dont wait....this nights almost over
honest....lets make....this night last forever
forever and ever.....lets make this last forever
forever and ever....lets make this last forever

(outro)

forever,and ever
lets make this last forever
forever,and ever

lets make this last forever
