Please take me by the hand
Its so cold out tonight
Ill put blankets on the bed
I wont turn out the light
Just dont forget to think about me
And I wont forget you
Ill write you once a week she said

Why does it feel the same
To fall in love or break it off
And if young love is just a game
Then I must have missed the kick off
Dont depend on me to ever follow through on anything
But Id go through hell for you and

I havent been this scared in a long time
And Im so unprepared so heres your valentine
Bouquet of clumsy words, a simple melody
This worlds an ugly place
But youre so beautiful to me

Ill think about the times
She kissed me after class
And she put up with my friends
I acted like an ass
Id ditch my lecture to watch the girls play soccer
Is my picture still hanging in her locker

I havent been this scared in a long time
And Im so unprepared so heres your valentine
Bouquet of clumsy words, a simple melody
This worlds an ugly place
But youre so beautiful
