I hear the phone, it rings so violently  
Can't leave my room, can't breathe since she left me  
I will admit I hate those things I said  
Girls always cry, guys'll never admit they did

Hold on, hold on  
Hold on, hold on

(chorus)  
Don't tell me that it's over  
I'm not used to this temptation  
And when you come back running,  
There's no use for explanation  
I think things are too hopeful  
Even with my expert knowledge  
Most girls do mean trouble  
because they are very honest

What's with the jokes  
All the routines they play?  
Screwin' with my head  
Never give up til they get their way  
Guys like to run  
Chicks love to yell, you see  
Guys hate to fight  
Girls think it's therapy

Hold on, hold on  
Hold on, hold on

(chorus)
